

# Gates

AliWood Gates are manufactured to suit all required dimensions and budgets. We will forward the extrusions required for you to cut and manufacture or we will cut it up as a kit form for you. Better still, why not ask us to manufacture your gate so when it arrives its ready to hang! This isn't a problem and we service nationally. All hardware is available, colour matched caps are included, and even the wall mounted posts all pre-drilled!

## Applications

- Pedestrian Swing Gates

See our website for the full range of accompanying locks, latches and screws

## Colours

AliWood stock several wood look timber finishes, as detailed on our website. We can powdercoat our mill finish extrusions to any colour you wish, in the Dulux and Interpon ranges.
